INFORMED CONSENT FORM

The therapies offered by Catherine Brown Practitioner of Traditional Chinese Medicine have a long history of safe practice, however here are some risks associated with any sort of treatment. Below is a list of potential risks associated with the Traditional Chinese Medicine therapies. All treatments will be explained to you before commencement. The best way to reduce the chance or risk is to answer all questions about your health fully and honesty, if you require further information or have specific questions please ask.

Outline of possible risk	**Therapy**	**Strategies to minimise possible risk**
Pain	Acupuncture Cupping Electro-Acupuncture	Tell your practitioner if you have sensitive skin and become uncomfortable or experience pain during treatment.
Bruising	Acupuncture Cupping Electro-Acupuncture	Tell your practitioner if you bruise easily or have a bleeding disorder. Cupping may leave bruises that are usually painless and may last over a week. It is important to tell the practitioner if bruises in the area being cupped are cosmetically unacceptable.
Infection	Acupuncture Cupping	It is possible to develop an infection whenever the skin is punctured so please inform the practitioner if you have a known immune deficiency so special precautions can be taken. Pre-sterilised single use needles are used in this clinic.
Burn	Moxibustion Heat lamp	Please advise the practitioner if you have sensitive skin and if heat used during treatment is uncomfortable.
Relaxed or Sleepy	Acupuncture Cupping Moxibustion	It is common to feel relaxed or sleepy after treatment therefore avoid getting up quickly from the treatment table and give yourself time to adjust after the treatment before driving or using stairs. Avoid driving immediately if you feel sleepy.
Drug Herb Interactions	Herbal Medicine	It is important to tell the practitioner about all medications and herbal or nutritional supplements that you are currently taking or have recently stopped taking, as interactions between herbal medicine & Western medicine are possible. Chinese herbal medicine & supplements prescribed are considered safe although some maybe toxic in large doses or inappropriate during pregnancy.

Fainting	Acupuncture Cupping Massage	Do not skip a meal before treatment. Get up slowly after the treatment
Aggravation of your condition	Any therapy	It is possible that your condition could be aggravated. This is uncommon but can occur.

Please notify the Practitioner if you have an INFECTIOUS DISEASE, are a HAEMOPHILIAC, have an existing HEART CONDITION, PACEMAKER, are on BLODD THINING MEDICIATION, are PREGNANT, suffer form EPILEPSY or have suffered SEIZURES.

Please be aware that the above information is required in order for this practice to provide you with appropriate health care services. Failure to disclose any information regarding your health may affect the practitioner's ability to deliver these services you safely.

I confirm I have read and understand the risks outlined above are possible and agree to undergo treatment of Traditional Chinese Medicine from this clinic.

PRIVACY POLICY

I understand the practitioner may review my medical records and lab reports and that all my records will be kept secure & confidential and will not be released without my written consent.

CANCELLATION & RESCHEDULING POLICY CLIENT AGREEMENT

Welcome to Fertile Qi, we are delighted to have you as a patient & look forward to providing you with the highest quality care. We understand there are times when you may need to cancel and / or reschedule your appointment and we are pleased to accommodate your needs.

However due to increasing demand for our services we are implementing a cancellation fee. Therefore, it is our policy that all cancellations and / or rescheduled appointments are to please take place 24 hours prior to the date of your originally scheduled appointment.

If you are reasonably unable to fulfil these requirements or you miss a booked appointment, 50% of the scheduled service fee will be charged and an account issued.

This policy allows us time to schedule another patient that would also benefit from treatment. Thank you for your understanding.
